ACKNOWLEDGEMENTS AND CERTIFICATIONS AND CONSENT FOR THE RELEASE AND EXCHANGE OF INFORMATION

Please initial by each statement:

Eligible Individual	Support Coordinator	
		I understand this referral is for housing assistance and not an invitation to attend an information session to find out more about housing assistance.
		I understand the referral for housing assistance is a two-part process. DBHDS verifies whether an individual is in the Settlement Agreement population and makes a referral to the Public Housing Agency (PHA) or local housing program partner based on its priority/preference structure outlined in the HCVP, LIHTC or the SRAP FAQ documents. After DBHDS makes the referral, the PHA or the local housing program partner begins its intake and screening process to determine if the individual and other household members meet its program eligibility requirements.
		I understand that it is important that the individual and a support coordinator (or family member) attend all housing appointments are attended and that all requested forms and documentation (Photo ID, birth certificate, Social Security Card, Income Documentation, etc.) are provided to the PHA or the local housing program by the required deadlines. I understand that the housing application must be completed within 45 days of the date that DBHDS makes a referral to the PHA. If the above referenced time-frame is not met, the individual will be deemed to be non-responsive and the referral will be closed.
		I have read and understand the eligibility criteria for inclusion in the Settlement Agreement population and hereby certify that all information provided herein on this form is true and accurate to the best of my knowledge. I understand that this referral will not be processed until all information and requested documentation is received by DBHDS.

I, _____ (Please print the individual's name here) hereby consent and authorize the: 1) Department of Behavioral Health and Developmental Services (DBHDS) and the support coordination entity listed on page 1; 2) any Public Housing Agency (PHA) that has provided a Housing Choice Voucher Set-aside or preference for individuals in the Settlement Agreement population; 3) any PHA that is under contract with DBHDS to administer the State Rental Assistance Program; and 4) any owner/developer that has been awarded an allocation of Low-income Housing Tax Credits for the purpose of developing rental housing and providing a leasing preference to individuals in the Settlement Agreement population to request, obtain, release and share any and all information regarding my anticipated housing and services needs and tenant history for the purpose of determining initial and on-going eligibility for waitlist preferences, housing assistance and any resource provided specifically for people in the Settlement Agreement population. If the applicant is unable to agree and consent, a documented authorized representative must complete and provide consent. Failure to provide consent will prohibit processing of the DBHDS Housing Resource Referral Form. I understand that this referral form will not be processed if it is not completed in its entirety.
