

IFSP-FUNDING UPDATE

March 24, 2020

Please read the following message for important information about the IFSP Funding Portal.

We have received the maximum number of applications that can be funded for FY 2020, and have therefore limited access to the Funding Portal. If you would still like to submit an application for assistance, please request access to the IFSP Application Portal by emailing ifspcom@dbhds.virginia.gov. Please note there are no additional funds left for FY 2020. FY 2021 funds will likely be available in late 2020.

Thank you,

The IFSP Staff
