### BioSketch

**Brenett Dickerson, RN, MSN** is a Registered Nurse Care Consultant in the Health Supports Network within the Office of Integrated Health at the Department of Behavioral Health and Developmental Services. She is responsible for working with individuals, families, and community-based stakeholders to provide health supports for individuals with intellectual and developmental disabilities in Region IV and statewide. Brenett has a Master of Science degree in Nursing with a specialty in community health from Bloomsburg University where she was nominated as a member of The Honor Society of Phi Kappa Phi. The Honor Society of Phi Kappa Phi is the oldest, largest, and most selective all-discipline honor society.

Brenett has a diverse background in nursing which includes state government, home health, medical cardiology, case management, and travel nursing. She has a passion for public health and serving vulnerable populations. She is currently a member of the American Public Health Association.

She recently moved from Oklahoma where she worked at the Oklahoma Department of Human Services: Developmental Disabilities Services as a health care management nurse. She arranged health services for individuals, provided oversight and policy direction to contracted community health care professionals, and provided technical assistance to contract health care professionals and to the case managers with in the state agency. She enjoys spending quality time with her husband and two sons, hiking at state parks, and relaxing at the beach.
