Announcement of SHRC Vacancies

The State Human Rights Committee regularly seeks to maintain a full complement of members

As part of its role in representing the diverse populations and cultures within the state of Virginia, the SHRC seeks to maintain a balance which includes diversity of age, race, gender, skills, experience, and geographic areas of the state.

The types of positions on the committee are consumers, family members, healthcare providers including sex offender treatment providers, professionals and others.

At this time the SHRC does not have any vacancies.

The State Human Rights Committee meets about 8 times a year in various locations throughout the state. Members are responsible for getting themselves to meetings. Travel expenses will be paid by the department including mileage reimbursement and meals per diem as well as state-arranged lodging for any members needing to stay overnight on the evening before a meeting.
