

Susan Moon is a Registered Nurse Care Consultant with the Department of Behavioral Health and Developmental Services. She is responsible for working with individuals, families, and community-based stakeholders to provide health supports for individuals with intellectual and developmental disabilities in Region IV and statewide.

Susan graduated from The Pennsylvania State University with a Bachelor of Science degree from the College of Health Physical Education and Recreation with an emphasis in Therapeutic Recreation. She began her professional career as a Certified Therapeutic Recreation Specialist in the fields of Intellectual and Developmental Disability and Adult Psychiatry. She later attended the Chester County Hospital School of Nursing in West Chester, PA where she received the 1996 Chester County Hospital Women's Auxiliary: Award for Commitment to Community Service, Outreach and Education. While living in Pennsylvania she volunteered for the South Eastern PA American Red Cross for 20 years teaching CPR and First Aid. She holds certifications in Advanced Cardiac Life Support, First Aid, Non – Violent Crisis Prevention, Incident Investigations and Mental Health First Aid.

Susan has provided nursing and administrative management for agencies providing care for individuals with intellectual and developmental disability, traumatic brain injury and geriatrics. She has extensive experience providing nursing services, case management, behavioral interventions and community integration in the field of post - acute traumatic brain injury. Susan was the Director of Nursing, for a residential school in New York. The school provided academic instruction, rehabilitative services, behavioral supports and 24 hour medical / nursing care for individuals with complex needs, and severe intellectual and developmental disabilities. As the chief nurse, she worked closely with community based health services to provide comprehensive care that addressed the individual's acute and chronic medical needs.

She enjoys music, swimming, kayaking, traveling and especially vacations at the beach with family and friends.
